

Request for Expression of Interest (EOI) / Quotation

Project Title: Soil and Water Conservation Activities

Introduction: - IICARE Foundation is a non-profit organization committed to implementing sustainable and impactful environmental solutions for rural and community development. As part of its Soil and Water Conservation initiatives, IICARE Foundation is undertaking pipeline installation work to enhance water distribution and efficient utilization from farm ponds. This intervention aims to strengthen irrigation systems, improve water availability, and support sustainable agricultural practices.

Invitation for EOI / Quotation: - IICARE Foundation hereby invites Expressions of Interest (EOI) / Quotations from eligible contractors, firms, or organizations for the execution of the following work:

Scope of Work –

- Removal of silt from existing ponds, Continuous Contour Trenches (CCTs), and Nala Bunds
- Total quantity of silt to be removed: 6,250 Cubic Meters
- Safe excavation, handling, and disposal/utilization of removed silt as per site conditions
- Restoration of structure profiles to improve water holding capacity
- Work execution as per approved site requirements
- Site address: - S.no. 390, Phaltan, Dist. Satara.

The activity is part of Soil and Water Conservation efforts aimed at improving water storage efficiency and ensuring long-term sustainability of existing water structures.

Eligibility Criteria: Interested entities must fulfil the following criteria:

- Availability of skilled manpower and required machinery (excavators, tippers, etc.)
- Ability to complete the work within the stipulated timeline
- Compliance with quality, safety, and environmental standards

Submission of EOI / Quotation: - Interested organizations are requested to submit their EOI / Quotation with the following details:

- Quotation clearly indicating rates, total cost, applicable taxes, and validity
- Proposed timeline for completion of work
- Terms and conditions
